## INTRODUCTION

Accelerate for Women is a customized programme for the high-achieving woman in leadership who wants to take her career to the next level. Accelerate is a powerful personal development plan designed for CEOs, board chairs, heads of organisations, founders and entrepreneurs ready to move from success to impact.

## WHO IS IT FOR?

The Accelerate Woman is one who is ready to invest in the next stage of her career. She wants to transition to achieve the highest level of growth, become an impactful thought leader and actualize her income earning potential.

If you are a woman in business, politics, entrepreneurship, diplomacy or any other sector and you have reached the highest level in your domain of excellence, but feel there is a lot more you can achieve and can't quite figure out how to go about it, then Accelerate for Women is for you.

## WHAT IS IT?

Accelerate for Women is a personalized plan designed to open up a new world of possibilities, and to empower you to take bold but well thought out steps to a new future. The programme helps you to gain clarity on your objectives, and works with you to create the road map to propel you from being the business or organizational leader to becoming an impactor, paving the way for access to powerful international and local communities.

## WHAT WILL YOU GET?

- A defined road map with actionable steps
- Increased visibility to powerful business audiences and lucrative opportunities
- Membership of a supportive community of women leading businesses
- Access to exclusive invitation-only influential business events
- Strengthened skills to engage and participate in global networks at the highest level
- Recommendations for speaking engagements, authoring articles and board positions

## WHO CAN APPLY?

- Experienced leaders driving change in all spheres including: business, financial sector, social enterprise, diplomatic corps, academia, media and the public sector
- Women who are passionate about accelerating their growth and attaining the next level in global leadership and require a road map
- Women from a diverse range of geographic locations and industry sectors
- Women ready to engage in deep self-reflection and challenge their current ways of thinking to bring about change in their lives and lives of others
- Women who have attained success in their business and career and are interested in engaging on a global level

## HOW WILL IT WORK?

During this program, an executive strategist works with you to co-create a personal strategy plan with integrated implementation steps. The plan will include:

- A professional and career review
- Well defined objectives
- Identification of marketable skills
- A guide to developing complementary leadership skills
- How to optimize your digital presence
- Ways to grow your global connections
- Scheduled follow up calls and meetings
- Personal 3-6 month accompaniment (optional extra)

It will also include three months' membership of an influential network of high achieving supportive women, with private invitations to exclusive international and local events, and access to an exclusive mastermind session or retreat.

Because we recognize that every woman is an individual, the programme is completely customizable to meet your specific needs and to achieve maximum results.
